Peer Mentoring
Service

In partnership with the DWP

Department
for Work &
Pensions

Change Grow Live and DWP are working together on a project to support you.

How it works:

Our team of Peer Mentors with their own lived experience will:

- Work with you on a 1-2-1 basis to identify what goals are important to you and what you want to achieve (8-10 sessions).
- Support you in the community to attend meetings and engage with JobCentre Plus, drug and alcohol services, and partner agencies.
- Support you to disclose your drug and alcohol use to your JobCentre Plus work coach.
- Use their own lived experience to inspire, motivate and support you.
- Be non-judgemental and supportive.

We can support you if:

- ✓ You are 18 or over.
- ✓ Your drug or alcohol use is a barrier to you getting a job.
- ✓ You are either claiming benefits or not on benefits but you are unemployed.
- ✓ You are motivated to overcome your barriers to recovery and employment.
- ✓ You live in one of the boroughs that the pilot is in: Newham, Hackney, Tower Hamlets, Islington, Westminster and Camden, Lambeth and Croydon.

Please speak to your JobCentre Plus work coach or support worker to be referred to us, or email us and we can help support you to be referred.
