

# Home Energy Advice Programme

**Make your home more energy efficient  
and save money on bills this winter!**

**We offer:**

- Home visits and telephone advice**
- Workshops to frontline workers**
- Debt relief and resident support**
- Energy Champion training**

# What is the Home Energy Advice Programme?

## Free phone service and home visits

During calls or home visits, our team can offer affordable energy-efficiency measures to keep your home warm and save you money.

## Workshops to frontline workers

We will deliver training to frontline workers on providing energy efficiency advice within the community. This can be done both online and in person.

## Free debt relief and resident support

Support with applying for grants and debt relief funds to clear arrears, reduce utility bills, maximise income and signpost into services.

## Free Energy Champions training

Through our free 6 to 8 weeks course learners will gain a Level 1 OCN accreditation in fuel poverty, equipping them with energy knowledge.
